

February, 2013

Dear PWOC Leader,

Included in this folder are 13 Training Modules, each on a different topic of Leadership Development. These modules can be used in a wide variety of ways such as: leadership training at a board meeting or board retreat, training for Bible study leaders, an all-day leadership training event (using several of the modules), as workshops, or even as an extended devotion for the entire PWOC body.

Developing leaders is part of what PWOC is all about. It's important that we continue to be proactive in helping our women grow in their leadership abilities, for the benefit of our local PWOCs and our military communities.

**God bless you and keep you,
The PWOC International Board 2012-2013**

Leadership Training Modules:

- **Choosing Good Fruit** by Brenda Marlin
Growing in the Fruit of the Spirit and recognizing spiritual growth in potential leaders
